

**THINGS WE CAN DO TO BE A BETTER
WITNESS AT CHRISTMAS**

- I. Plan all other activities you have around your church activities, realizing that *faithfulness* in this area is of the utmost importance (**I Cor, 4:2**).

- II. *Pray* and ask the Lord to open up doors of opportunity to talk to unsaved friends and relatives about the real meaning of Christmas (**Col. 4:2,3**).

- III. Fix things around your house which will remind visitors of the *real reason* for the season (**Luke 2:11**).

- IV. Include a *gospel tract* in your Christmas greeting cards or when you pay your bills (**Eccl. 11:6**).

- V. Go out of your way to *do something special* for someone who really needs a hand (**Luke 14:13**).

- VI. *Ask if you can give thanks* for the meals when you gather together to eat and share what Christmas is all about in your prayer (**I Thess. 5:18**).

- VII. *Invite family and friends* to the Christmas activities of our church and make sure that you are there (**Luke 14:17**).
